

OUTPATIENT PHARMACY SUPERVISOR
Regular Full Time; Variable Hours

In the 2009 *U.S. News & World Report* rankings, Cedars-Sinai was named one of America's best hospitals. Of the 4861 U.S. hospitals, only 174 were ranked in at least one specialty. We are located in Beverly Hills close to the heart of Los Angeles.

Will be responsible for the direct supervision of pharmacist and technician staff in their assigned areas, performance improvement activities related to their assigned areas, supporting compliance with regulatory requirements, precepting pharmacy residents in the area of management, and special projects for the department.

We have three outpatient pharmacies. The two pharmacies that are off campus support the programs in their building. The on campus pharmacy fills prescriptions for employees, clinic, ED, cancer center, discharged patients, and other ambulatory care patients. They also prepare IV's for the Procedure Center. This position also entails 75% administrative duties and 25% staffing. On-calls may be included.

Requires:

- Graduate of an accredited Pharmacy School; preferably with a Pharm. D. degree.
- Current California State Board of Pharmacy issued Pharmacist License.
